

PRODUCT SUPPORT BULLETIN BULLETIN NO. 333

DATE: **September 18, 2001**

MACHINE: **Model C**

SERIAL
NUMBER(S): **All with Bulk Loader**

SUBJECT: **Replacement Bulk Loader Auger Motor – p/n 50230085**

The Auger Motor used on all Bulk Loaders is being replaced with a **Heavy-duty motor, p/n 50230085**. This motor is directly interchangeable with the original Auger Motor, p/n 50230080.

Using this heavy-duty motor will prevent breakage of the motor through bolts due to motor reversal. Any orders placed for the original motor will be filled with the new motor.

Please contact your NORDCO Representative or the NORDCO Parts Department for pricing and availability.
